Peter updated the CCC on the workers comp for CERT. He has taken the matter all the way to the Department of Labor. The Department of Labor suggested we bring the matter to a State Rep. to have the RSA re-written to include the CCC volunteer programs. Additionally the Town Administrator has requested a definition of volunteers as used in the RSA. The CCC requested Peter to send a letter to Dominic requesting him to follow-up with this matter at the State level.

Paul King started a discussion about the EOC phone line. Some discussion about having the police, fire and emergency mgt. lines ring into the EOC.

Peter brought forward the USACE MOU for the CCC to sign. Paul King signed as the Vice Chair of the Council and Peter will bring the MOU to the BOS for the Chair to sign.

Paul King brought forward the paperwork from Dominic for the 2005 Grant. In order for us to receive funds from Volunteer NH we need to sign this document and the non-supplanting certification. Paul King signed both and Peter will bring these to the BOS for a signature.

A motion to adjourn was made by Paul King and seconded by Ray Eaton. All in favor. Meeting adjourned at 0930.
